Wrong and Right.

Governor WHITMAN is dead wrong If he believes that the Issue between Americanism and Hohenzollernism bas no place in this election.

A little independent investigation of public sentiment might convince the Governor that what we are now saying is true.

The defeat of Mayor MITCHEL, the success of the beterogeneous forces working directly or indirectly for MITCHEL's defeat, would be hailed in unpatriotic quarters everywhere with satisfaction similar to that which the failure of the second Liberty bond sale would produce.

The pacifists would rejoice, the lukewarm Americans would smile, the middle of the road pro-Germans here and elsewhere would celebrate that public and municipal misfortune as a

We say that there is no excuse for Governor WHITMAN's failure to understand the significance of defeat for Mayor MITCHEL as it will be be applauded by treasonable and semihauling to get that vigorous person, that patriotic American, out of the New York City Hall.

The Governor is as wrong about this as he is right in notifying his fellow Republicans that they will sacrifice no regularity, that they will be doing their duty as good citizens statute regulating political parties. of the metropolis, if they follow his own example and vote for Mayor MITCHEL for other reasons than those which his unsurpassed Americanism presents to the voter.

Bond Eriefs.

. It is thirty-eight fears since it has been possible to buy a 4 per cent. bond of the United States at par, the price at which the bonds of the second Liberty Loan are offered to those who subscribe now.

In those thirty-eight years 4 per cent, bonds of the United States have State of Ecuador to receive the Ger. Poelcapelle sector picked off 109 out sold at 80 per cent. above par.

of the first Liberty Loan.

If your income exceeds \$60,000 a small nationalities." year the 314 per cent. bonds of the chance to show your patriotism by Loan is that much the better.

Postmasters cash Liberty bond coupons on presentation; they also cash on presentation Treasury warrants for the interest payable on registered Liberty bonds.

A Fair Show for Food Control.

The American tendency to complain, coupled with the hungry anxlicense the big food interests, but the public has seen prices soar above all forts of the food administration until it must be a very comedian of an Chile in the south. optimist who can see much hope in however, they will see that every regulatory step of the food administration is a vital precaution.

The end of the war does not necessarily mean a reduction of food prices. The Government must work for the United States growing out of the esfuture in stimulating production and tablishment of the republic of Panregulating distribution. Unless the end of the war brings a period of taken by President Indoven of Arblighting reaction prices will rise rather than fall. World stocks are so depleted that demand may exceed supdiet during the war, but with the war diplomatic relations. These united dethe spirit of sacrifice will end; people mands, it is believed, will soon prethey like best.

It is this situation which the Governments of the world must meet Even Chile, with a wealthy German with such laws as they can devise class and an army trained and diagainst haphazard production and rected by German officers, has ex-
